Subject: Recommendation

Hello Professor Truta,

I was one of your students last spring in the pattern evidence course on latent prints and impressions. It was wonderful having you as a professor and I learned so much from your course. Professor Truta I am emailing you to ask whether it would be possible for you to provide a recommendation for me because I am in the process of applying for the ABC certification exam. A positive recommendation from you would ensure a seat for me to take this exam. Please let me know if there is any information I can provide regarding my experience or employment to assist you in giving me a recommendation. The required recommendation sheet is at this link: <http://www.criminalistics.com/pdf/110a.pdf>
Thank you for your consideration and I hope to hear from you soon.

Sincerely,

Daniela Frasca
